A programme of dynamic tailor made  
drama based modules for your  
Post-Primary school.

We believe that drama offers Post-Primary school children a vital opportunity to express themselves.

We know that by using drama as a way of approaching work, the results can be remarkable.

The goal of the Educate Programme is to provide innovative, confidence building drama workshops taught by experienced theatre professionals to schools around the country, at an affordable price.

Our Educate workshops can be tailored specifically to your students' needs. Whether it's a workshop focusing around issues of bullying, racism, addiction or a workshop focusing on specific performance skills that you're looking for, we can devise a plan with you to provide the best workshop for your students.

- ✓ **Half day or full day workshops**
- ✓ **Workshops can be adjusted to work within any space or environment**
- ✓ **One to ten days of workshop programming**
- ✓ **Workshops can accommodate 8-30 students**
- ✓ **Taught by experienced drama professionals who have proven track records as drama tutors**
- ✓ **Exercises can be adjusted to accommodate any age or grade level of students**

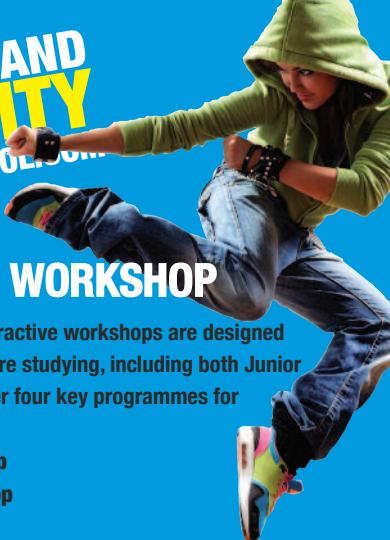

*Everything went great yesterday. Your teacher was smashing and the kids loved him and his approach. It all worked out really well and they had great fun, while also achieving what we set out to do. Definitely I would recommend the workshop to friends in other schools.*

## CURRICULUM WORKSHOP

These energetic, enjoyable interactive workshops are designed around a play or text that you are studying, including both Junior and Leaving Certificate. We offer four key programmes for schools.

- The Irish Writers Workshop**
- The Shakespeare Workshop**
- The Classics Workshops**
- The Contemporary Workshop**

## DRAMA SKILLS WORKSHOP

Using drama as a way of encouraging and enhancing creative expression, students will learn the basics of drama, develop social skills and inspire confidence and creativity through drama.

## SOCIAL ISSUE WORKSHOP

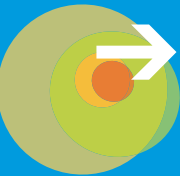

Drama is widely accepted as a powerful tool in addressing difficult issues in a safe environment. **The Gaiety School of Acting** has developed a set of drama workshops that tackle social issues such as racism, bullying and substance abuse.

**Each workshop will:**

- Explore the topic from the students' perspectives.
- Challenge and support the students regarding their perceptions, in the hope of creating awareness and empathy.
- Focus on the students' personal power to challenge/change the situations they're unhappy with.

Workshops can concentrate on any of the following issues:

- RESPECT**
- BULLYING**
- RACISM**
- ADDICTIONS**
