

## Demo Script for Brainy Ups

*Classroom actuality and interaction, tracks are played back and guesses and discussion are encouraged by presenter - guiding questions might be what instrument are you hearing, is it a male/female vocalist, what type of music is it.? Etc*

Well done to everybody who helped to figure that one out but you know what - some might say being right is over rated so tonights best guess gong goes to Siobhain.

Quiz Round 04 - Teacher Tester

And that's it for tonights episode of Brainy....except...wait...sorry....I've got my producer in my....ea...of course... the fourth and final round. How could I forget. We all admire the amazing work our teachers do but maybe it would be no harm to put that to the test.

What do you think kids.....

*Actuality of cheers from classrooms....*

Tonights final round is the Teacher Tester and for this round all 3 schools will be involved.

We have dug deep into the curriculum for some slightly.....how do you say.....obscure

questions for our teachers today.....Don't worry there's no pressure and when I say "no pressure" I mean "lots of pressure", classrooms feel free to give whatever prompts you can
